

ACCESSIBILITY HACK

JOIN BANKWEST & PEAT FOR THE W4A/WWW HACKATHON • MONDAY, APRIL 3 • PERTH, AUSTRALIA

Calling all designers, coders, accessibility experts, and people with disabilities to participate in our Accessibility Hack

The [W4A](#) and [WWW](#) conferences are joining forces for an Accessibility Hack hosted by [Bankwest](#) and the [Partnership on Employment & Accessible Technology](#).

We hope you will participate! We can promise you exposure to new tools, other experts in the field, and a chance to build your accessible technology skill sets. This is an amazing opportunity to further your educational and career goals in the realm of accessible technology.

Read more about [last year's inaugural Hack](#).

THE FOCUS:

This year's W4A conference theme is The Future of Accessible Work. Keeping with this topic, we will focus on [TAO](#)[®], a leading open source assessment platform used in the workplace.

Hack groups will choose a project related to accessibility in an employment scenario.

THE HOSTS:

bankwest

PEAT
PARTNERSHIP ON EMPLOYMENT
& ACCESSIBLE TECHNOLOGY

WHAT DO I NEED TO KNOW?

Hackers should come prepared to improve the accessibility of TAO, bring a willingness to share your knowledge and learn from others, and have a supply of creative energy. No previous experience is required.

There is no cost to participate and lunch is provided. Prizes sponsored by Microsoft Australia will be awarded to finalists and winners!
