Student Grant Application

W4A Student Grant

The W4A Student Grant is intended to help student authors with limited financial means, attend the W4A conference. Student Grants are given to graduate and undergraduate authors, or those who were at the time the paper was submitted. Preference will be given to Technical Papers, followed by Communication Papers, then Accessibility Challenge submissions, for students who are first authors presenting their paper at the conference.

W4A Student Grant Requirements

To apply for a W4A Student Grant, the student must submit the following:

1. A completed application form
2. A letter of support from the student's research advisor

Complete this application and return it, and your advisor's letter, by email to sc2016@w4a.info before the grant application deadline.
